Deduct Business Costs on Office Equipment with CSI Copiers and Printers

With the U.S. government's 2024 update of the Section 179 deduction, you can now deduct 100% purchase costs on office equipment, encouraging your business to grow in productivity and efficiency! Qualification for Section 179 deductions include:

- Equipment and software must be used 50% or more for business purposes
- Total amount of equipment purchased allowed: \$1,220,000
- All qualified equipment and software must be in service between Jan 1st – Dec 31st, 2024.
- Both new and used office equipment are deductible so long as devices are new to the business.

At Copy Systems, Inc., we offer a wide variety of new and used office equipment to help organizations optimize their production services!

Improve your office with our **printSMART** solutions, offering Managed Print Services as well as a diverse inventory of new and used printers and copiers. Save thousands in business expenses with updated printing equipment, from multifunctional printers to personal cubicle copiers.

Optimize mail printing and delivery with CSI's **mailSMART** solutions. Select modern mailing equipment at zero cost, improving profits while modernizing mail printing services to impress partners and clients. Automate your mailing delivery with advanced mailing and inserter devices.
